With every stop, and praise for the horse, they learn to trust you and you to trust them. Take in the pristine landscapes as we ride the ridge overlooking Bonneville Lakes and the Fish Lake Valley. Have your camera ready! Here we stop for a peaceful lunch. Overnight at Sky High Ranch (Breakfast, Lunch, Dinner).

Day 3 | *Monday*

Wake early and try to catch a glimpse of a Yukon summer sunrise, which in June is about the same time as the sunsets – so good luck! We get the horses ready this morning for one more trail ride. Take this time to reminisce about your adventure and again keep your cameras ready for unpredictable wild life sightings. Once we get back to the Ranch we will unload the horses and brush them down one last time. Now is the time to say good bye to your guide and your new horse friends.
