Driving directions from downtown Whitehorse:

Drive up Two Mile Hill to the Alaska Hwy and turn right. You will drive past the Fas Gas & Kopper King on the left and shortly after that two signs on the right; one saying Sky High Wilderness Ranches, and the other Fish Lake Rd. turn left onto Fish Lake road. Along the way you will see directional signs. We are at Km 16 and have a 30' sign by our driveway on the right hand side of the road. Do not turn off Fish Lake Road until you get to this sign. Drive up the driveway and park at the side of the office cabin and someone will greet you. Lost? Call us: (867) 667-4321
